

**ASSEMBLY BILL**

**No. 1826**

---

**Introduced by Assembly Member Roger Hernández**

February 21, 2012

---

An act to add Section 87482.3 to the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 1826, as introduced, Roger Hernández. Community colleges: full-time instructors.

(1) Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law requires the board of governors to adopt regulations that establish minimum standards regarding the percentage of hours of credit instruction that full-time instructors are required to teach.

This bill would prohibit a full-time instructor for a community college district from being assigned a teaching workload that includes overload or extra assignments if the overload or extra assignments exceed 50% of a full-time workload in a semester, quarter, or summer term that commences on or after January 1, 2013. The bill would provide that this prohibition would not supersede the pertinent requirements of a collective bargaining agreement containing restrictions regarding limitations on overload or extra assignments that are more stringent than the limitations imposed by the bill. With respect to a community college district with a collective bargaining agreement that, as of January 1, 2013, prohibits a full-time instructor from being assigned a teaching workload that includes overload or extra assignments if the overload

or extra assignments exceed 50% of a full-time workload, the prohibition in the bill would become operative on January 1, 2014.

To the extent that this bill would impose new duties on community college districts, it would constitute a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
